

“LET NOBLE THOUGHTS COME TO US FROM EVERY SIDE”

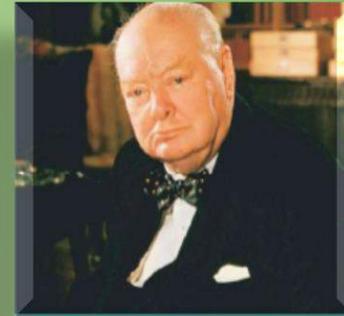

**BHAVAN'S 33rd MUNSHI MEMORIAL INTERSCHOOL
DEBATE COMPETITION 2022**

8TH FEBRUARY 2022

Organised by:

BHAVAN'S BHAGWANDAS PUROHIT VIDYA MANDIR, CIVIL LINES, NAGPUR

DR. KANHAIYA LAL MANEK LAL MUNSHI

FOUNDER - ACHARYA BHARATIYA VIDYA BHAVAN

As a young man, Kanhaiyalal Maneklal Munshi was imbued with a sense of India's greatness. Not yet out of his teens, he learnt from his mother's songs and stories about the sages and seers of India's past. The heritage that these master-spirits represented was ingrained in the young Munshi deeply and later the incipient perception received an adult dimension. It would be instructive to remember that Kulpati Munshi founded the 'BHAVAN' a full decade before the advent of Independence. 7th of November 1938 was the beginning of an 'Adventure in Faith'. A faith in India's Past, Present and Future. The founding of Bhavan was based on the preservation and propagation of *Bharatiya Sanskriti* (Indian Culture) and Sanskrit, the mother of languages and the akshaya patra,- the inexhaustible reservoir. The unpretentious endeavour was backed by Kulpati Munshi's amazing pragmatism. Founded in 1938 by Dr. K.M. Munshi, Bharatiya Vidya Bhavan is today an All India Intellectual, Cultural and Educational movement dedicated to the twin task of interpreting the age old yet ageless message of our country and of integrating our varied and vibrant culture with the changing needs of the present-day world. During the six decades of its life the Bhavan has come to be recognized as a symbol of India's glorious past and as a comprehensive national institution with an international outlook touching all segments of life and enriching all spheres of activity.

Today Bhavan's has grown into a big tree with many schools in India and abroad. Bhavan's Bhagwandas Purohit Vidya Mandir, Civil Lines was established in 1982, having blossomed from humble beginnings, it has slowly and steadily gained respect and immense popularity.

WHY MUNSHI MEMORIAL DEBATE ?

Communication is a fundamental need for human beings to sustain in the world. Having good communication skills play a major role in developing the overall personality of an individual. Debate is a discussion on a subject on which several people share their different opinions.

In today's competitive world it is very essential to teach children about the outside world. Nowadays, children are largely engaged in technology and not getting involved in actual intercommunication. Hence, the need arises to motivate children to get involved and participate in debates. This competition will help them to develop self-expression and debating skills. It will also help remove the fear of speaking in public, develop critical thinking, how to think and communicate under pressure.

The main aspiration of being a part of the debate is to convey your thoughts in a concise manner so that people around you understand your point of view and your thought process.
