➤ **EDUTAINMENT AND LEARNING THE FUN WAY**

Bhavan’s B.P. Vidya Mandir, Civil Lines has always been in implementing holistic approach in learning methodologies and in this regard the school had undertaken the Project Methodology. November month was infused with a flurry of activities for the students of Standard I to V as their teachers engaged them in their class projects. What excited them most was getting an opportunity to work on a plethora of topics and undertaking one interesting activity after another. What better way to spark off learning process than with dollops of fun. The huge quantum of work which include informative charts, KWL charts, write – ups eye catching illustrations models, scrap books was well appreciated by one and all. This kind of learning gave the students the opportunity to facilitate and hone various life skills, research skills, applications and communication skills to name a few.
